

# German Mastery – Checklist

**FEEL FREE TO BE YOURSELF** without any linguistic and cultural restrictions

This program has been developed with the following target group in mind:

Check all situations that **you don't feel confident** to manage **but would like to**:

## Precision in Expression

- ☐ spontaneous language use
- ☐ negotiating and expressing stronger opinions
- ☐ dealing with conflict situations

## Interesting Discussions

- ☐ understanding fast speakers from different regions
- ☐ having detailed discussions about what interests you (work relevant topics or personal matters)
- ☐ reading books or specialized literature

## Cultural Mastery

- ☐ knowing very well the German culture and lifestyle
- ☐ anticipating people's reactions and knowing what to expect
- ☐ understanding social happenings and knowing how to interpret them

## PERFECTIONISTS

You want to refine the little imperfections in your expression and communicate without missing vocabulary or thinking too long.

You also want to feel fully integrated in Germany and not only live there happily, but achieve a nice balance between your personal life and professional satisfaction.

**RESULTS:** Got more than 3 checks? Then it's time to get in touch.
